Consent for Services

As a condition of your treatment by this office, all emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed. The practice depends upon reimbursement from the patients for the costs incurred in their care. As a condition of your treatment by this office, services are to be paid when rendered, or definite financial arrangements must be made and approved by Plaza Dental Group prior to commencement of treatment.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that the parent or guardian is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

Plaza Dental Group reserves the right to check credit on the above named parent and/or responsible party, and signature below authorizes Plaza Dental Group to make credit inquiry of the patient, spouse, or responsible parties. A service charge of 1.5% per month (18% per annum) on the unpaid balance may be charged on all accounts exceeding 30 days, unless previously written financial arrangements are satisfied.

In consideration for the professional services rendered to your child, by the Doctor or Hygienist, I agree to pay therefore the reasonable value of said services to Plaza Dental Group, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

REGARDING MISSED OR CANCELED APPOINTMENTS: Once I make an appointment, the time will be reserved for my child or dependent. If I miss or cancel a dental appointment without 48 hours advance notice, I agree to pay $25 for each one-half hour of appointment time reserved. This policy is needed to prevent delays of my treatment as well as other patients. I realize that the delay of a missed or cancelled appointment may jeopardize my dental health.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.
